Dear AWS Enthusiasts,

This calendar is being offered to raise funds for the Health and Genetics efforts of the American Water Spaniel Club, Inc. Funds will be used for various tasks and projects of the Health and Genetics (H&G) Committee such as, but not limited to, contact with members for H&G projects, speaker fees for health experts at National meetings or funding of studies related to the health of AWS.

The idea for this fund-raiser came at a slightly later date than would have been ideal. In our excitement to get this calendar off to you for 2009, we quickly contacted a limited pool of past National photo contest winners, friends and acquaintances of our committee. Our thanks go to all who contributed their photos.

We hope you love the results, but mostly, we hope you keep the idea of the calendar fresh in your thoughts so that ALL members will consider contributing a wonderful photo for 2010. WATCH FOR FUTURE ANNOUNCEMENTS ABOUT A THEME AND CRITERIA FOR OUR NEXT CALENDAR. "KEEP YOUR CAMERAS READY!"
