

2009 AWSC National Specialty

Reproduction and Health Presentation

By Drs. Jim and Ann Winsor

**Wednesday, August 5, 2009
7pm, Holiday Inn**

The AWSC Health and Genetics committee welcomes everyone to attend this educational presentation by Drs. Ann and Jim Winsor, co-owners of Inver Grove Heights Animal Hospital, a large, vibrant practice. Both have a professional interest and experience with canine reproduction. The Winsors are featured speakers at many breed clubs in the Midwest and have a mobile sperm-collection unit to support their AKC-approved canine sperm bank storage facility. You will be sure to learn a lot and enjoy their presentation. *We'll see you there!*

Event underwritten by H&G Calendar-sales funds.
