The AWSC occasionally uses electronic mail to communicate with members and keep members informed about current developments in a timely manner. The use of electronic communications also reduces the expenses to the AWSC and helps keep dues low. Please check here if you do not wish to receive electronic communications from the AWSC. [ ]

Occasionally, the AWSC makes its mailing address list available to select groups or companies that are dog related. Please check here if you do not want your name released. [ ]

Annual dues run from Jan. 1 to Dec. 31. Check here if you would like your membership to begin on the next Jan. 1. (Otherwise, your membership will begin immediately upon approval by the Board of Directors) [ ]
